Dear Jack Stuart School Families.

We have been notified that two more people connected to our school have tested positive for COVID-19. This brings our total COVID-19 case count to 7.

One person is a member of a cohort that is already in quarantine. The second case is associated with a different cohort and has resulted in an additional 20 students and staff being asked to quarantine.

Families of students who have been identified as close contacts of the new case have been notified directly.

All other families are asked to please continue to monitor your children and, if symptoms develop, arrange a COVID test as soon as possible. If your child does test positive, please contact the Principal by email at [zlazaruik@brsd.ab.ca](mailto:zlazaruik@brsd.ab.ca) to share that information.

Thank you for your ongoing support in this very unusual circumstance.

Stay safe.

Zenovia Lazaruik, Principal
