Q: What does an audition/pre-performance meeting look like?

A: We're so excited to see all our students' amazing talents. Auditions are an important part of the process because they give everyone the chance to showcase what they've been practicing. It allows us to make sure each act has the right preparation and support to perform their best.

Screening performances ensures that the show runs smoothly and that we have a balanced variety of acts for our audience. It also helps make sure that the time is used well, so every performer has the opportunity to shine.

Our goal is to make sure everyone feels confident, prepared, and excited to perform, and this step helps us create a talent show that everyone will enjoy. Thank you for being a part of it, and we can't wait to see all your amazing performances!
